Dear Mr. Medlam:

There were some issues with my shop and the repair in June. The shop will repaint the bumper for free. However I have no way of getting home.

I have been unable to arrange transportation to get there.

He says he only needs my car for one day. Previously I used three days.

I called my current insurance and they said that since I had coverage at the time of the accident and had rental, 21th Century should pay for it.

Chuck Strong is the body shop owner.
The address is 6520 8th Ave. LA CA Phone 323-243-8988.

The nearest car rental is Enterprise phone number: (310) 846-0282.

Please send an Enterprise reference number.

Thank you,
Lynn Walford
